

How many customers do I need?

What should I charge my clients?

How do I get new clients?

How do I start?

Who do I talk to?

Is this business feasible?

Am I really an entrepreneur?

Is the idea of starting your own business overwhelming you?

We'll help put your mind at ease.

With our NewVenture interactive four session workshop, we'll help you put a sustainable plan in place, sure to help your business hit the ground running.
