

# Build a better manager.

Boost your company performance by building a strong management team

## This program will help your managers:

- Enhance department productivity through accountability.
- Build a stronger team through new communication skills.
- Gain an understanding of the key roles of a manager.
- Increase your company's performance through hiring and training quality employees.

Starts June 10th; meeting the second Tuesday of every month for 12 months.

Seating is limited. Register today.
