

How do I increase my sales?

Where do I find leads?

How do I close deals faster?

Am I managing my pipeline efficiently?

Should my sales strategy change because of the economy?

What are my sales goals?

How do I improve my sales skills?

Increase Sales. Guaranteed.

We guarantee that your sales will increase over the six month program or we will refund 50% of your investment.*

This program will help sales teams or owners who sell:

- Develop an individual growth plan along with 12 month sales goals.
- Assess each person's sales skills and abilities.
- Identify key weekly and monthly sales measurements.
- Analyze each person's 7 step sales process and determine where the largest gaps are.
- Increase sales skill development through an interactive training program.

*If tools and techniques are applied consistently.

Visit our website to download a **FREE** sales success kit and to view upcoming program information.

This program meets once a month for six months. Seating is limited. Register today.
