

ULTREX

*X*perience Cartridge *X*cellence

**Consider this: It cost 50x more than gas and we use it every day!
It is an uncontrolled daily expense!
The answer: Printer toner and ink.**

But at Ultrex it's really a no brainer –Price, Quality, Free Services, and a No Haggle customer satisfaction guarantee.

These are the reasons Ultrex has the customers we do:

- The City of San Luis Obispo
- The Telegram Tribune
- San Luis County Superior Court System
- Goodwill Industries of Central California

There are thousands of other businesses here in central California that use our printer cartridges and services. These businesses have tested our products and frankly if we did not have a quality product we would not be able to maintain these accounts and grow our business. So stop paying ridiculously high prices for your toner and ink!

Quality comes first.

Ultrex printer cartridges are manufactured to meet or exceed original equipment requirements for page yield, output quality and performance all while providing significant savings to you. Ultrex cartridges are made with over 34 patents and patent pending technologies, outperforming the competition to win numerous awards.
