REC
SOLAR 

REC Solar, Inc. has been serving the Central Coast for over 13 years. Founded by 2 Cal Poly engineers, and headquartered in San Luis Obispo , REC Solar has grown to become the nation's leading Solar Electric provider. REC Solar specializes in grid-tied solar electric design and installation, offering the latest technology, state of the art equipment, and financing opportunities for all commercial and residential customers. We maintain a dedicated staff of engineers, designers, and installers to make solar a turnkey solution for our customers. With a focus on quality, professionalism, and services, REC Solar has excelled to become a trusted market leader.
