

RELOCATION & REFERRAL GUIDE

Connecting your business is our business

The Chamber's Relocation and Referral Guide is the premier relocation and buyers guide for San Luis Obispo County, connecting buyers with sellers, newcomers with services and travelers with places to stay and things to do. The guide is used not only by those in SLO County but by those looking to relocate to the Central Coast and those looking to understand San Luis Obispo as a community. We're building a recruitment package for your business. Take a moment to decide how you can advertise in the Relocation and Referral Guide, the most widely read business guide in San Luis Obispo County.

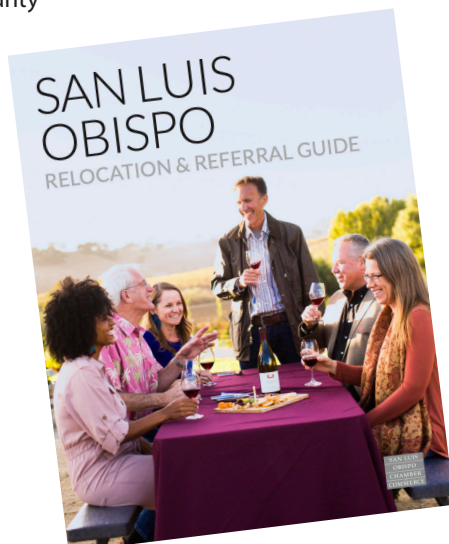

The 2021 Relocation & Referral Guide will be distributed digitally for the first time ever. In addition to printed copies, we will be promoting the digital version through email and social media receiving an additional 246,000 impressions annually. As our world continues to evolve, and the way people consume media transitions more and more to the digital, adapting this publication is key. Increasing the Relocation & Referral Guide's digital footprint will ensure the valuable information and resources it contains are easily accessible, frequently updated and reach as many eyes as possible.

The updated version includes:

- Conversion of articles for easy reading on your smartphone
- Video stories and integrated content
- A built-in, interactive database of our Chamber member directory
- Expanded business editorial content, showcasing the best SLO County has to offer
- A one-stop-shop for important relocation resources
- Comprehensive, data driven profile of San Luis Obispo County
